Normally, families receiving financial assistance have annual incomes below \$60,000. If you have unusual expenses or circumstances that you feel would help the Scholarship Committee in considering your request, please explain them here:

This application **MUST** be accompanied by a signed photocopy of your Form 1040 as filed with the Internal Revenue Service for the year preceding the trip or program for which you are applying.

If you are new to Darrow, please submit **two letters of recommendation**. We also need a **letter from the camper**, explaining why he or she wants to enroll at camp.

### **Limitations of Acceptance**

1. Darrow Wilderness Trip Camp usually does not offer full scholarship. Candidates should make some effort to earn a portion of the tuition.
2. Candidates will be chosen on the basis of financial need and personal merit.
3. The Scholarship Committee will make decisions on applications as they are received.

*Note: The earlier this scholarship application is received in our office, the greater the likelihood there is of receiving financial aid.*
